## “Well” Prayer Walk (for the whole family)

Some people in Burkina Faso have to walk up to three miles to get water from the local well. As a family (or couple/single), go on a 1-3 mile walk together before you eat a meal to represent what it is like to go to a well for fresh water. While on your walk, pray for the people of Burkina Faso.

## Calling all Kids!

God loves when we share His love for one another! Do you want to bless someone in Burkina Faso with encouragement? Write a note or make a card with encouragement for the pastors in Burkina Faso. They have gone through some hard times recently and really could use your kindness to bless them!

*Mail your note or card to our office: 565 Metro Pl. S. Ste #300, Dublin, Ohio 43017*

## Prayer Points for Times of Prayer

- Pray for the North/Eastern region of Burkina Faso where the churches have closed due to the attacks and persecution of Christians. Pray that no further attacks would be made and that plans to do so would fail!
- Pray for the congregations that aren’t able to meet together right now—that they would be encouraged and experience the peace of God.
- Pray that humanitarian aid would reach the most needy—that they would have the food and provisions that they need.
- Pray that the supernatural power of God would touch and sustain the children who have been displaced and are unable to attend school.
- Pray for those who are persecuting our brothers and sisters in Burkina Faso. Pray that they would be set free from their bondage to sin and find life and light in Christ Jesus.
